

EYEPIECE-LESS OPTICAL INSPECTION MICROSCOPES

- Ergonomic
- 3D view
- Easy to use
- Higher productivity

Mantis Family

Entry level Stereo inspection microscope

Lynx EVO

High productivity stereo zoom microscope.

DIGITAL INSPECTION SYSTEMS

Makrolite 4K

4K Ultra HD digital microscope with 20:1 optical zoom range with magnification up to 330x

EVO Cam II

High definition digital microscope with 30:1 optical zoom range with magnification up to 300x

- Operator friendly
- High quality
- Easy to use
- Fast
- Ergonomic
- Economical

3D DIGITAL INSPECTION SYSTEMS

- Both stereo & digital
- Real time 3D viewing
- No need for glasses
- Easy Collaborative Platform
- Ergonomic

DRV-Z1

The first digital stereo 3D viewer with zoom

- 3D view, capture and share
- Remote viewing and sharing of live 3D images
- 6x-186x magnification

DRV Stereo Cam

3D digital stereo microscope with enhanced zoom

- 8.3x - 351x magnification
- Working distance up to 176mm
- UV/White illumination options
- Remote viewing & sharing of live 3D images

DRV N Series

Automatic high zoom digital stereo microscopy system

- 25:1 & 18:1 zoom ranges
- Bright-field and fluorescence EPI illumination
